AFTER SCHOOL PROGRAMME CALENDAR

AFTER SCHOOL PROGRAMME

SEMESTER 2   2013 / 2014
IMPORTANT INFORMATION
Registration begins Monday 20th January 2014 at 7:30am at the ASP office, ISPP Elementary campus. Tution fees are to be paid upon registration. If fees are not paid by the 2nd week of activities a reminder will be sent. By the 3rd week, if fees are still outstanding, the ASP may remove the student from their enrolled activity(ies).

Fees
Please note, Semester 2 is longer than Semester 1 and this semester fees are based on the frequency of the class (i.e. there are 16 Mondays this semester but only 14 Fridays) as well as cost per session, instead of a block semester cost. This will take into account public and school holidays as well as teacher Professional Development days, and 3 Way Conferences when classes will not run. This should minimise any confusion about make up days etc and ensure a fair fee structure. There has been no price increase per activity.

Cancellation
The ASP office reserves the right to cancel an activity in full or in part, if the minimum number of students have not enrolled. Additional classes will be added whenever possible.

Make-up Classes
If the teacher is absent, make-up classes will be arranged. The ASP office will phone, send an email, or SMS the affected parties for the schedule of the make-up classes. In case of a student’s absence, NO refund will be issued and re-scheduling will not be possible.

Refunds
If students wish to withdraw from an activity before the 3rd week a full refund will be given (minus the number of sessions attended). However if students wish to withdraw after this time refunds will be given in half semester blocks. For activities at Cambodia Country Club (CCC), students have a 3 week trial period during which time they may cancel and pay only for activities attended. After that students will be charged for the full semester.

Change of Activity
Pupils are allowed ONE change per each enrolled activity. Any change needs to be made within the first 3 weeks of the ASP Semester.
